

Corporate Fuel Advisors is pleased to announce that CSC Management LLC of Montvale, NJ, through an affiliate, has acquired Digital Video Systems (DVS) of Medley, FL. Corporate Fuel Advisors LLC advised CSC on the acquisition and arranged the financing for the transaction.

CSC is a diversified broadband communications infrastructure and services business. Through its affiliated companies it owns wireless communications towers and a satellite earth station in Miami, FL. CSC also leases and/or manages communications facilities on non-owned towers, rooftops, and water tanks. CSC also provides design, installation and management services to broadcasters, wireless carriers, and other customers.

DVS is a leading Florida-based broadcast and audio-visual systems integrator. The company has expertise in designing and installing satellite antenna systems for the maritime market. In addition, DVS provides audio-visual and communications systems integration services to businesses, universities, and municipalities. CSC plans to further position DVS to capitalize on the fast-growing broadband communications needs of the maritime markets while also expanding its communications services to land-based customers.

The terms of the transaction were not disclosed.

CORPORATE FUEL ADVISORS, a New York-based investment banking firm, provides a full range of advisory services to middle market companies. The firm advises on mergers and acquisitions, and raising debt and equity capital. Founded by senior professionals who have extensive experience in finance and operations, CFA concentrates on small to mid-size enterprises with revenue between \$10 million and \$200 million. The diverse experience of our partners and our unique market focus allows CFA to bring an unmatched level of expertise to our clients. CFA is affiliated with Corporate Fuel Partners, a private equity firm making investments in middle market companies in the Northeastern United States.
